scratches on your LCD display". Why not, and it is probably true because we are talking about a webcam destined for desktops...

In short, our webcam has a sliding metal protection (to cover the lens), an Auto Focus, an Auto Brightness, and a two USB Hub ports.

Finally, you will be entitled to a VGA quality (640x480), and a 1.3-megapixel sensor. Earth Trek announced a price of \$ 45-49.
